CERTIFICATIONS

- Blockchain Technology and its application

INTERNSHIPS

Techqued Labs | April 2020 - April 2020

- Here I got to learn about blockchain and SOLIDITY programming language. Using blockchain Technology and SOLIDITY we built a Smart Contract in which transaction happened through metamask.

PROJECTS

Cab Booking Database Management | January 2022 - February 2022

- The project entitled Cab booking Management System is developed for booking cabs in the city. When it comes to cab booking, Cool Service is the most trusted and reliable name in the travel business. The most advanced travel agents offering cab booking and car hire in India, making full use of information technology to improve the level of our efficiency. However, this is only one aspect of services. And this project continually strives to offer the best of services - both in terms of man and machine, to our clients.

ACHIEVEMENTS

- Received Scholarship in BE / B.Tech
